FOR ANY KIND OF CHRISTIAN

Highland Park Youth Camp is for the person who is not quite sure what all this God stuff is about, for the person who wants a deeper relationship with God but doesn't know where to start, and for the Christ follower who gives away God's grace and love to others.

Meet new friends keep them for life

From the first hour of camp, our campers are strategically placed into peer teams and group bible studies led by our staff. The peer teams spend a lot of time together and learn to work together as a group to compete in team games, create acts for our talent show, decipher clues, and many other activities throughout the week.

Discussion-based group bible studies are led daily by the youth staff and focus primarily on building a closer walk with the Lord. A lot happens during these bible studies, and this time of day becomes one of the more powerful experiences for many of our campers, as they reflect on the message from the evening services, their conversations with their friends, and the lessons they have been taught during their life.

BUILD A DEEPER RELATIONSHIP WITH GOD

- Evening services, featuring top-quality messages delivered by our Guest Evangelist
- Minutes with God held in our Chapel in the Woods
- Prayer meetings held each evening
- Engaging group bible studies with other campers your age
- Nightly devotions led by counselors
- A powerful Night of Silence service led by our Guest Evangelist and Youth Staff
